Subject: Complaint on Undisclosed Winners of Facebook Sales Promotion

Dear Sir/Madam,

I am writing to formally file a consumer complaint regarding a sales promotion conducted on Facebook by **Kate's Original Gadgets Mati**.

In their Facebook post dated **August 8, 2025**, the company launched a promotion stating that anyone who shared and like their post would have the chance to be the “lucky winner” of **₱1,000**. However, as of this writing, the company has not disclosed or published the name of the supposed winner(s), nor have they provided proof that the prize was actually awarded.

This act is misleading and may constitute a violation of the **Consumer Act of the Philippines (RA 7394)** and the **DTI Administrative Order on Sales Promotions (DAO 10-2000)**, which require sales promotions to be registered with your office and for winners to be announced publicly to ensure transparency and fairness.

I respectfully request your office to investigate this matter and take the appropriate action against the company involved for possible deceptive or unfair sales practice.

Attached are screenshots of the Facebook post and other relevant evidence for your reference.

Thank you for your attention to this matter. I look forward to your response.

Respectfully,

IRENEO O. CRODUA JR.
