BOTTLENECKS, LAGS, ISSUES, AND CONCERNS (BLICs)

Quarter	Nature	BEDP Pillar	Category	BLIC	Action Taken	Status SDO	Commitment	Status RO
Q1	new	GENERAL	Institutional	Limited availability of funds constrained the implementation and processing of activities and transactions across other Key Result Areas (KRAs), affecting the timely delivery of programs, monitoring activities, and operational support services.	The SDO maximized available resources through strategic prioritization of essential activities, strengthened coordination with stakeholders and partner offices, utilized cost-efficient operational strategies, and aligned remaining funds to critical programs and urgent KRA deliverables to ensure continuity of services despite financial constraints.	Resolved	The SDO remains committed to strengthening resource mobilization, improving financial planning and utilization, and sustaining collaborative partnerships to ensure the continuous and effective implementation of programs, projects, and activities across all KRAs despite budget limitations.	NA

INNOVATIONS

QUARTER	BEDP PILLAR	INNOVATIONS	RECIPIENTS	IMPACT
Q1	RESILIENCY AND WELL-BEING	Project ATLAS: Automated Travel Authorization and Approval System	All Employees	Project ATLAS simplifies and accelerates the online submission and approval of Authority to Travel requests, reducing paperwork and processing delays. It improves efficiency, transparency, and productivity through a fast, accessible, and paperless system.
Q1	RESILIENCY AND WELL-BEING	Project SYNC: Biometrics Integration to the Management Information System	All Employees in the SDO	Project SYNC improves attendance monitoring accuracy, minimizes manual encoding, and enables faster, real-time data synchronization in the MIS.

QUICK WINS AND BEST PRACTICES

Quarter	Quick Wins	Impact
Q1	Successfully facilitated 355 reclassification appointments, demonstrating the office's commitment to timely personnel action processing, efficient service delivery, and continuous support for employee career progression.	The completion of 355 reclassification appointments improved employee motivation, career advancement opportunities, and organizational efficiency through timely personnel actions and strengthened workforce development.
Q1	Bagged awards in the National Schools Press Conference 2026, including Fourth Place in Column Writing and recognition for 3 Best School Papers, showcasing excellence in campus journalism and strengthening the division's achievement in national-level competitions.	The achievement enhanced the division's reputation in campus journalism, inspired student excellence in writing and media, and strengthened the culture of communication, creativity, and competitive performance in schools.
Q1	Received awards and recognitions during the 2026 Regional Festival of Talents (RFOT), showcasing excellence and outstanding performance of learners and coaches at the regional level.	Enhanced the division's reputation for academic and technical excellence, strengthened learner confidence and skills, and inspired schools and coaches to further improve performance in regional and national competitions.
Q1	Successfully implemented the Hinabang Charity Initiative led by the HUMSS Work Immersion students of Cateel Vocational High School in partnership with the Boy Scouts of the Philippines, promoting volunteerism, community service, and youth engagement.	Strengthened community involvement and social responsibility among learners while fostering leadership, collaboration, compassion, and active citizenship through meaningful outreach and service initiatives.
Q1	Increased the number of BERF researcher-grantees, promoting research engagement, innovation, and data-driven improvement initiatives within the division.	The increased number of BERF researcher-grantees strengthened research capability, encouraged evidence-based practices, and supported continuous improvement in educational programs and service delivery.
Q1	Completed and turned over a newly constructed makeshift classroom for Grades 5 and 6 at NASA Elementary School through the collaborative support of the BLGU, SEF, and PTA, ensuring improved learning spaces for learners.	Improved the learning environment and classroom accessibility for Grades 5 and 6 learners while strengthening stakeholder collaboration and community support for quality basic education.
Q1	Produced several winning athletes during the DAVRAA Meet who qualified to represent the region in the Palarong Pambansa, highlighting the division's excellence in sports development and athletic performance.	Strengthened the division's sports excellence and competitiveness while boosting learner confidence, discipline, teamwork, and opportunities for higher-level athletic exposure and achievement.

Quarter	Best Practices	Impact
Q1	Majority of schools conducted Fire Drill Orientation in observance of Fire Prevention Month, strengthening disaster preparedness, emergency response awareness, and school safety practices among learners and personnel.	Enhanced the preparedness and safety awareness of learners and school personnel by promoting proper emergency response procedures and strengthening a culture of disaster risk reduction and resilience in schools.

DepEd Region XI SO for FY 2026

Strategic Objectives	Target	Accomplishment	Reasons for Under or Over Performance	Reporting Quarter	Data Source
4.5 Quarterly Accomplishment in Client Satisfaction Survey (CCSS)	5	4.86	Strengthened the integration of digitalized processes across offices and schools, improving efficiency, accuracy, accessibility, and timely delivery of services.	Q1	CCSS

Thank you!
