EMMA O. KABUYA
Administrative Officer V

WORK EXPERIENCE SHEET

Instructions: 1. Include only the work experiences relevant to the position being applied to.

2. The duration should include start and finish dates, if known, month in abbreviated form, if known, and year in full. For the current position, use the word Present, e.g., 1998-Present. Work experience should be listed from most recent first.

- Duration: October 19, 2022- Present
- **Position: Senior Education Program Specialist**
- Name of Office/Unit: School Management, Monitoring and Evaluation
- Immediate Supervisor: Ernesto H. Cabanes
- Name of Agency/Organization and Location: School Governance and Operations Division, DepEd Davao Oriental- Division Office, Government Center, Dahican, Mati City, Davao Oriental
- List of Accomplishments and Contributions (if any)
 - **Division Private Schools Focal Person (2021-Present)**

Curriculum Instruction

- Monitor and ensure that all private schools within the division implement the K to 12 curriculum in compliance with DepEd standards and policies.
- Review and validate curriculum offerings, instructional programs, and learning delivery modalities of private schools for alignment with national learning competencies and quality assurance standards.
- Provide technical assistance to private school administrators and teachers on curriculum enhancement, instructional supervision, and learning assessment practices.
- Facilitate the evaluation of instructional materials and school programs submitted for permit and recognition applications.
- Conduct capacity-building activities for private school personnel to strengthen curriculum delivery, pedagogical skills, and learner performance outcomes.

School Management

- Oversee the processing, evaluation, and endorsement of applications for Government Permit and Government Recognition in accordance with DepEd guidelines and regulatory requirements.
- Monitor private schools' compliance with prescribed school management standards, including governance, facilities, safety, and learner welfare.
- Coordinate with the Quality Assurance Section in conducting ocular inspections, monitoring visits, and validation activities.
- Maintain an updated database of private schools, including enrollment data, program offerings, and compliance status.
- Serve as liaison between private schools and the Schools Division Office, Regional Office, and other stakeholders for policy dissemination, program implementation, and issue resolution.
- Prepare and submit periodic reports on the status, compliance, and performance of private schools to the Schools Division Superintendent.

- Support the integration of private school performance data into the Division Education Development Plan (DEDP), School Improvement Plans (SIPs), and Annual Implementation Plans (AIPs).
 - **Division and School Monitoring, Evaluation and Adjustments Focal Person (2020-Present)**

Curriculum Instruction

- Lead the monitoring and evaluation of curriculum implementation across schools to ensure alignment with the K to 12 program, MELCs, and national standards.
- Analyze learning performance data (e.g., NAT results, formative and summative assessments) to identify trends, strengths, and areas for instructional improvement.
- Facilitate data-driven instructional planning by providing schools with analysis reports and recommendations for curriculum enhancement.
- Coordinate with subject area supervisors and curriculum specialists to design interventions addressing identified learning gaps.
- Ensure that SMEA processes capture qualitative and quantitative evidence on the effectiveness of teaching strategies and learner achievement.

School Management

- Oversee the implementation of the SMEA system in all schools within the division, ensuring compliance with DepEd policies and guidelines.
- Provide technical assistance to school heads and planning teams in preparing, conducting, and documenting SMEA sessions.
- Consolidate school SMEA reports and prepare a division-wide analysis to inform the Division Education Development Plan (DEDP) and Annual Implementation Plans (AIPs).
- Facilitate the integration of SMEA findings into the School Improvement Plan (SIP) and resource allocation decisions.
- Build the capacity of school personnel on monitoring tools, data interpretation, and utilization for continuous improvement.
- Ensure the SMEA process is integrated into Quality Assurance mechanisms and ISO QMS documentation.
- Prepare and submit periodic reports on SMEA implementation status, key findings, and recommendations for policy and operational adjustments.

Division In-Charge for School Annual Implementation Plan and Annual Procurement Plan (2016-Present)

Curriculum Instruction

- Ensure that the Annual Implementation Plan (AIP) reflects priority curriculum programs, instructional materials needs, and capacity-building activities aligned with national learning standards.
- Review and validate school AIP entries to confirm alignment with the Most Essential Learning Competencies (MELCs), curriculum development initiatives, and teacher professional development plans.
- Integrate assessment and performance data into planning to ensure that procurement priorities address identified learning gaps and instructional resource requirements.

- Provide technical assistance to school planning teams on incorporating quality indicators for teaching and learning in their AIP and procurement requests.

School Management

- Oversee the consolidation, review, and endorsement of school AIPs and APPs to ensure compliance with DepEd guidelines, budget ceilings, and timelines.
- Implement a quality assurance process to evaluate the relevance, feasibility, and alignment of proposed programs, projects, and procurement items with SIP goals and PPAs.
- Coordinate with the Bids and Awards Committee (BAC), Budget Office, and Supply/Property Office to ensure timely and transparent procurement of goods and services.
- Facilitate training and orientation sessions for school heads and planning team members on results-based planning, procurement standards, and quality assurance protocols.
- Monitor and evaluate the implementation of AIPs and APPs, ensuring that outputs are delivered according to specifications, timelines, and performance standards.
- Prepare and submit consolidated division reports highlighting compliance, challenges, best practices, and recommendations for continuous improvement.

Division In Charge for Establishments, Merging and Renaming of Schools (2021-Present)

Curriculum Instruction

- Ensure that proposals for establishing new schools or merging existing ones consider curriculum delivery requirements, learner access, and alignment with the K to 12 programs.
- Review school site proposals to ensure adequate facilities and resources for implementing the full curriculum across grade levels.
- Coordinate with curriculum specialists to determine instructional resource needs, staffing requirements, and program offerings for newly established or merged schools.
- Recommend strategies to minimize disruption of teaching and learning during the transition phase of school establishment, merging, or renaming.
- Facilitate orientation and capacity-building programs for teachers and school leaders affected by structural changes to ensure smooth curriculum implementation.

School Management

- Lead the planning, documentation, and endorsement of proposals for establishing, merging, and renaming schools in accordance with DepEd Orders, regional policies, and legal requirements.
- Conduct needs assessments, demographic studies, and stakeholder consultations to justify the establishment or merging of schools.
- Oversee the preparation of complete documentary requirements for submission to the Regional Office, including site validation reports, maps, and school profiles.
- Coordinate with LGUs, community stakeholders, and other government agencies to secure necessary endorsements, funding, and land ownership documents.
- Ensure proper updating of records, databases, and information systems to reflect approved changes in school establishment, merger, or renaming.
- Prepare and submit periodic progress reports to the Schools Division Superintendent and Regional Office on the status of all proposals from 2021 to Present.

Division School Based Management Focal Person (2021-Present)

Curriculum Instruction

- Ensure that SBM implementation strengthens curriculum delivery by promoting school autonomy in planning, resource allocation, and instructional decision-making.
- Provide technical assistance to schools in integrating SBM principles into the development, implementation, and monitoring of their School Improvement Plan (SIP) and Annual Implementation Plan (AIP).
- Promote data-driven decision-making to enhance teaching and learning outcomes, using assessment results and learner performance data as inputs to school plans.
- Coordinate with curriculum specialists to ensure that school programs and projects under SBM directly support the attainment of Most Essential Learning Competencies (MELCs) and K to 12 goals.
- Facilitate sharing of best practices among schools to improve instructional quality and curriculum relevance.

School Management

- Lead the division-wide implementation, monitoring, and evaluation of SBM in accordance with DepEd policies, frameworks, and assessment tools (e.g., SBM Level of Practice).
- Conduct orientation, coaching, and mentoring sessions for school heads, teachers, and stakeholders to strengthen SBM practices and governance structures.
- Monitor and validate schools' SBM documentation, including evidences of governance, curriculum implementation, accountability, and resource management.
- Oversee the conduct of SBM assessments and prepare consolidated division reports with recommendations for continuous improvement.
- Coordinate with stakeholders (LGUs, NGOs, PTAs, and other partners) to support resource mobilization and community participation in school governance.
- Ensure that SBM implementation is integrated into quality assurance mechanisms and contributes to ISO QMS compliance.
- Prepare and submit periodic status reports to the Schools Division Superintendent on SBM progress, challenges, and success stories from 2021–2025.
- - Regional Winner in Exemplary Awards for Great and Laudable Employee (EAGLE 2024) - INNOVE Awaard (Innovation to Education)
 - Division Unit Head Award -2022

- Duration: June 29, 2015 -October 19, 2022
- **Position: Education Program Specialist II**
- Name of Office/Unit: School Management, Monitoring and Evaluation
- Immediate Supervisor: Ernesto H. Cabanes
- Name of Agency/Organization and Location: School Governance and Operations Division, Deped Davao Oriental- Division Office, Government Center, Dahican, Mati City, Davao Oriental
- List of Accomplishments and Contributions (if any)

- **Division Testing Coordinator (2015- 2021)**

Curriculum Instruction

- Oversee the alignment of all division-administered assessments with the national curriculum standards and learning competencies.
- Coordinate the development, adaptation, and distribution of test materials that support curriculum objectives.
- Analyze test results to identify learning gaps and recommend targeted instructional interventions to improve student performance.
- Provide technical assistance to schools on integrating assessment data into instructional planning and curriculum enhancement.
- Ensure that testing processes promote higher-order thinking skills and are aligned with current pedagogical approaches.

School Management

- Lead the planning, scheduling, and administration of division-wide assessments, ensuring compliance with DepEd policies and timelines.
- Supervise the secure handling, storage, and dissemination of test materials to maintain integrity and confidentiality.
- Prepare and submit comprehensive reports on test administration, performance outcomes, and recommendations for school improvement.
- Facilitate training and capacity-building activities for school testing coordinators and other relevant personnel.
- Collaborate with school heads, supervisors, and curriculum coordinators to integrate assessment results into the School Improvement Plan (SIP) and Annual Implementation Plan (AIP).

Division Guidance Counselor Coordinator (2016- 2020)

Curriculum Instruction

- Integrate guidance and counseling programs with the K to 12 curriculum to support learners' academic, career, and socio-emotional development.
- Develop and implement guidance modules, career orientation programs, and values formation activities aligned with curriculum goals.

- Analyze learner needs and assessment data to recommend appropriate instructional strategies that address academic and behavioral challenges.
- Provide technical assistance to teachers on embedding life skills, mental health awareness, and socio-emotional learning into lesson delivery.
- Coordinate with curriculum specialists to ensure that guidance services complement subject area learning outcomes and support inclusive education.

School Management

- Lead the formulation, implementation, and monitoring of division-wide guidance and counseling programs, ensuring alignment with DepEd policies and school improvement priorities.
- Supervise the collection, management, and confidentiality of student records, including counseling notes, needs assessments, and behavioral reports.
- Conduct capability-building activities for school-based guidance counselors and designated coordinators on program management, record keeping, and counseling techniques.
- Prepare and submit periodic reports on guidance program implementation, learner welfare, and recommended interventions for school improvement.
- Collaborate with school heads, teachers, and stakeholders to address learner welfare issues and integrate guidance services into the School Improvement Plan (SIP) and Annual Implementation Plan (AIP).

Division In-Charge for School Annual Implementation Plan and Annual Procurement Plan (2016-2022)

Curriculum Instruction

- Ensure that the Annual Implementation Plan (AIP) reflects priority curriculum programs, instructional materials needs, and capacity-building activities aligned with national learning standards.
- Review and validate school AIP entries to confirm alignment with the Most Essential Learning Competencies (MELCs), curriculum development initiatives, and teacher professional development plans.
- Integrate assessment and performance data into planning to ensure that procurement priorities address identified learning gaps and instructional resource requirements.
- Provide technical assistance to school planning teams on incorporating quality indicators for teaching and learning in their AIP and procurement requests.

School Management

- Oversee the consolidation, review, and endorsement of school AIPs and APPs to ensure compliance with DepEd guidelines, budget ceilings, and timelines.
- Implement a quality assurance process to evaluate the relevance, feasibility, and alignment of proposed programs, projects, and procurement items with SIP goals and PPAs.
- Coordinate with the Bids and Awards Committee (BAC), Budget Office, and Supply/Property Office to ensure timely and transparent procurement of goods and services.
- Facilitate training and orientation sessions for school heads and planning team members on results-based planning, procurement standards, and quality assurance protocols.
- Monitor and evaluate the implementation of AIPs and APPs, ensuring that outputs are delivered according to specifications, timelines, and performance standards.
- Prepare and submit consolidated division reports highlighting compliance, challenges, best practices, and recommendations for continuous improvement.

Division In Charge for Establishments, Merging and Renaming of Schools (2021-2025)

Curriculum Instruction

- Ensure that proposals for establishing new schools or merging existing ones consider curriculum delivery requirements, learner access, and alignment with the K to 12 program.
- Review school site proposals to ensure adequate facilities and resources for implementing the full curriculum across grade levels.
